

Colleen Chinlund

Colleen Chinlund is the Managing Partner at Chinlund law specializing in estate planning, probate and trust administration providing clients with peace of mind to ensure their wishes are carefully and properly implemented.

Colleen provides comprehensive counseling to help clients protect, preserve, and devise a plan for the tax-efficient distribution of estate assets.

Colleen represents a broad range of individuals and institutions in connection with their estate planning and trust administration needs, as well as business succession planning for family-owned and other closely-held businesses.

Colleen also handles the administration of decedent's estates and represents fiduciaries in estate and trust administration and probate litigation matters.
